

# Professional Assessment

Free Assessment for Business Agility Professional Level 1 – Explorer

2<sup>nd</sup> January 2024

# Who wrote this course?

We'd like to introduce you to the Agile Business Consortium, the not-for-profit professional body championing the power of business agility, and they are the brains behind this course. In an increasingly disruptive and volatile world, they believe Business Agility has the power to drive positive change and prosperity for you and your organisation/

Once you have passed the exam, they are well placed to support you as you apply your new knowledge in the workplace.

# Professional Assessment

Agile Business Consortium are supporting you to continue your learning journey by giving you a free assessment to be recognised as a Business Agility Professional Level 1 - Explorer.

As a **Professional Level 1 Explorer**, you will automatically receive a Credly badge to share with your network, enabling you to stand out from the people around you as a professional business agilist.

- **Get professional recognition.** Demonstrate your experience and knowledge of business agility to peers and employers.
- **Stand out from the crowd.** Set yourself apart from others by becoming a business agility professional.
- **Enhance your business agility skills** - Online, expert-led masterclasses and courses to help develop your expertise in business agility.

# How does it work?

1. Complete this form: [Claim your free assessment](#) or scan the above QR code
2. You'll receive a welcome email from the Agile Business Consortium
3. Shortly after you'll receive your Credly badge to share with your network
4. If you would like to be reassessed at a different Professional status there will be a charge of £120 (inc VAT)
5. After 2 years you can choose to continue your professional status by completing CPD and paying £120 to be reassessed

*This status needs to be reassessed after 2 years and CPD requirements apply. This offer can only be claimed and activated once, when achieving an Agile Business Consortium qualification. The free assessment offer applies to Explorer level only. If you wish to be recognised for other levels, you can review alternative levels and complete your application [here](#). There will be an assessment charge for levels other than Explorer.*
